If the new subscriber, fully understanding the regulations governing the service and the status of the account and willingly assumes all obligation there under, then future bills will be rendered to him without an adjustment to or from any particular date, with the Company arranging for the requested change in billing and directory listing.
2. Under transfer of service the reassignment of the old telephone number to the service of the new party is arranged for only after the former subscriber has given his consent to its use, and then only when, in the judgment of the Company there exists no relationship, business or otherwise, between the old and new subscriber, and when in the judgment of the Company a change in the telephone number is not required.
3. When a relationship exists, business or otherwise, between the old and new subscribers, the reassignment of the old telephone number will not be permitted unless all charges due under the current account have been paid, and then only when in the judgment of the Company a change in the telephone number is not required.
4. Service order Charges as specified in Section 3 apply for all transfers of service unless otherwise noted.
